

APPOINTMENT OF MANAGING DIRECTOR

Triton Gold Limited (ASX: TON, "Triton", "the Company") today announced that Mr. Greg Hall an existing non-executive Director of the Company has been formally appointed as Interim Managing Director and Chief Executive Officer, effective from 9 November 2009.

Mr. Hall is a seasoned geologist with over 35 years of international experience. From 1988-2005, Mr. Hall was employed by the Placer Dome group of companies, serving as Chief Geologist World-Wide during the last five years he was there. Placer Dome was subsequently acquired by Barrick Gold Corporation in early 2006.

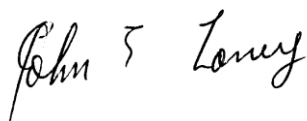

Over the course of his illustrious career, Mr. Hall had a senior role in the discoveries of both Barrick Gold's Granny Smith mine and Rio Tinto's Yandi iron ore mine. In addition, he took part in the discoveries of Keringal and Wallaby gold mines in Australia's Eastern Goldfields, as well as the definition of AngloGold Ashanti's Sunrise gold mine. Mr. Hall holds a Bachelor of Applied Science from the University of New South Wales, Australia.

Mr. Marcus Willson will step down as CEO and Managing Director of the Company effective from 11 December 2009. Mr. Willson intends to pursue other career opportunities after 3 ½ years in this role.

The Company is actively engaged in seeking a suitable candidate to replace Mr. Willson as the Managing Director and Chief Executive Officer of the Company.

The Company would like to thank Mr. Willson for his success in establishing and listing the Company on the ASX in August 2009.

We wish Mr. Willson all the best in his future endeavors.

John Loney
Chairman
